DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See Attached Notification

Sam Rimell
Primary Examiner
Art Unit: 2164

Art Unit: 2164

The reply filed on August 14, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

(1) No arguments are presented for the patentability of independent claim 54. See 37 CFR 1.111(b), requiring arguments for the patentability of at least each independent claim in the record.

(2) The amendments to claims 29 and 30 may be missing text. The phrase "the act of submitting a request submits a request" requires some clarification. Applicant may make the clarification by argument or by amendment. For example, the phrase "submits the request" could be changed to "is executed".

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to Sam Rimell at telephone number (571) 272-4084.
